

# CATECHISM

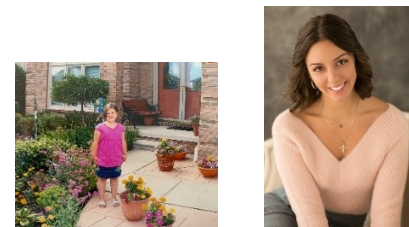

## You Did it!!

You passed all the tests, and read all the books. As you were to graduate the world changed and put a stop to your plans. As we start to exit the Covid-19 lockdown it did not happen in time for our Graduates to celebrate as they thought they would. Their 2020 graduation will be one for the books.

St. Nicholas parish did not want to have these hard-working students move on to their next step without recognizing them for their work and dedication.

*We Congratulate all our St. Nicholas family Graduates. May our Merciful Lord continue to guide these students throughout their lives as they grow in their Faith and begin the next stage of their lives!*
